

The South Carolina Independent School Association

Online Course Requirements and Training for Student-Athletes 2025-26

The South Carolina Independent School Association values continual education for our student-athletes in areas of player safety, sportsmanship, and personal growth.

Sportsmanship: About the course

Sportsmanship is the foundation for interscholastic sports and activities. In this course, you will learn the definition of sportsmanship and highlights of what good sportsmanship looks and sounds like. Appropriate conduct and behavior will also be discussed, as it is at the core of creating and providing a positive interscholastic experience. Coaches, officials, parents, and fans all have a role in creating a positive environment for young people and understanding those roles is critically important. Do your part in contributing to good sportsmanship in your school and community and take the course “Sportsmanship”, available for free on the NFHS Learning Center.

Social Media for Students: About the course

Social Media for Students has been designed to give students the information that they need to develop responsible social media habits. This course illustrates the long-term consequences that irresponsible social media usage can have on a student’s educational, athletic, and professional careers. It shows students ways in which they can use social media to promote their team, school, community, and their own personal brand. Social media has turned every user into a mass communicator. Learning how to skillfully and safely utilize it now, will greatly help you as you continue to use social media in the future.
