A LETTER FROM OUR ATHLETIC DIRECTOR

It's hard for me to believe that we are finishing up the winter sports season. With just a handful of basketball games remaining, please check the athletic calendar on the school website for game times and locations. I want to thank you all for the support you have shown to our basketball teams this season.

We will be offering both middle school and varsity track & field and it is looking like we will be offering JV/varsity baseball on a limited schedule. Coach Johnston is working out the details for a middle school/JV girls softball team. We are currently short on girls for the co-ed soccer team and we will be making a decision on that team in the next week. **If you have a student interested in participating in any of these sports, please contact me at iramsey@ccaugusta.com.**

Please keep the entire coaching staff and athletics program in your prayers as they work to represent CCA both in the classroom and on the playing field. May the Lord richly bless you and your family with His love and grace daily.

-Coach Ike Ramsey
