2022-2023 School Year Registration

Dear TBP Families,

Thank you for choosing TBP for your family this school year! Your child enjoys a well-balanced program in K2 and K3 provided by our loving teachers and aides and supported by the *Pathways for Preschoolers* curriculum. Your child has lots of fun as they meet daily with their animal friends and classmates at the Big Red Barn. Each activity and concept in the program is research-based and developmentally appropriate. Interactive circle times help your child learn, grow, and play! Excitedly, we will extend our use of this dynamic curriculum next year as we add individual student activity packets, writing packets, and practice cards! These packets will provide your child with enjoyable age-appropriate activities that encourage participation in every central area of learning—personal and social development, letter and number recognition, and motor skills development. Through the use of ideas, games, songs, and activities, this colorful preschool program encourages creativity, keeps your child's interest, and continues to instill an early love for learning!

In addition to using this complete, balanced curriculum, we are committed to providing a loving, safe, Christ-centered environment full of hands-on educational resources and equipment and qualified, caring teachers and aides. In support of that commitment, annual tuition is increasing by \$225.

We would love to continue to partner with you in creating a love of learning in your child next year!

Registration for the 2022-2023 school year for our returning families and Trinity Baptist Ministries members is now open. Return your completed enrollment form (last page of packet) along with your registration fee of \$100 in your child's folder. Our Director will process your forms and send you an enrollment confirmation. Choose to make a one-time tuition payment of \$1,725 and submit no later than August 1st. Choose to make ten monthly tuition payments and our finance office will input the monthly charge of \$172.50, the first of which will come out August 5th, along with the FACTS Management \$50 fee.

Classes continue from 9:00 am – 1:00 pm Tuesdays, Wednesdays, and Thursdays. Our school year begins August 9th and ends May 18th, closely following the CCBOE and Community Christin Academy's school year calendar.

At TBP, our mission is to prepare your child for a lifetime of learning. We look forward to continuing to help your child learn, grow, and have fun in a loving, safe, Christ-centered environment!

We appreciate your support and recommendation of TBP! For additional information, tours, or questions about re-enrollment, please speak to or email our Director at lharvey@ccaAugusta.com. The enclosed enrollment information and forms are also available on the Trinity Baptist Preschool website, <https://www.ccaAugusta.com/tbp.html>. **Enrollment is on a first-come, first-served, space-available basis, so secure your child's registration before it opens to the public on March 1, 2022.**

Curriculum

Our curriculum is the Bible-based *Pathways for Preschoolers* and *Footsteps for Fours* by BJU Press. This program develops foundational knowledge and skills in Bible, math, social studies, science, handwriting, and language arts for future learning. This program, flexible for all types of learners at all stages of learning, develops the joy of learning through both teacher-guided and independent discovery-based activities. Daily themed lessons with characters teach foundational skills supported with music and engaging visuals. Free play at intentional learning centers encourages natural curiosity, while group activities encourage social-emotional development. Biblical worldview themes point students to a knowledge of God and His will.

Pathways for Preschool is a well-balanced program for K2 and K3. Preschoolers will have lots of fun as they meet daily with their animal friends at the Big Red Barn. Each activity and concept in the program is research-based and developmentally appropriate. Interactive circle times help children learn, grow, and have fun! The Teacher's Edition includes lesson plans and activities for each age, offering great flexibility.

The K2/K3 preschool educational materials provide your preschoolers with enjoyable age-appropriate activities that encourage participation in every major area of learning—personal and social development, letter and number recognition, and motor skills development. Through the use of ideas, games, songs, and activities, this colorful preschool program will encourage creativity, keep your preschoolers' interest, and instill an early love for learning.

Footsteps for Fours presents an active, hands-on learning environment that includes individual activities, group activities, and suggested classroom centers for learning through play. Daily phonics, prereading, and math lessons explore foundational skills, while age-appropriate music, science, language arts, social studies, and handwriting segments give young learners opportunities to explore their world. This program offers flexibility for all types of learners at all stages of learning.
